Teacher Training Day

Autumn term = 75 days  
Spring term = 54 days  
Summer term = 66 days

Total = 195

The following school year could start Monday 2 September 2024

This week's **assembly** was led by Miss Tidey and was about helping others: 'We discussed how it costs nothing except a little effort on our part and how helping others should be something that we do willingly. I read the story about a King and his two greedy, selfish brothers who eventually learnt to help each other. Perhaps parents/carers would like to ask their child if they can remember the story. This picture might help prompt and start this conversation.'

### Y3 Scooter and Y4 Road Safety Training:

On Monday LKS2 enjoyed learning about keeping safe on the paths and on the roads as they undertook 'essential life skill' training.

### King Charles III Coronation

In school on Friday 5 May, we will celebrate the up-and-coming Coronation of His Majesty The King and Her Majesty The Queen Consort.

On this day the children can come to school dressed in red, white and blue. There will be a [themed lunchtime menu](#) and the afternoon curriculum will be relaxed so that teachers and staff can mark the occasion with fun activities related to the event.
