Headteacher's news:

It has been an excellent week with the main highlight being the three outstanding performances of Oliver from our Y3, Y4 and Y5 children. I was lucky to watch two of the shows and I could see the children grow and grow in confidence throughout. I would like to thank everyone involved in the shows including the Friends of Rufford Park, Martyn Hand Photography, parents and carers, Mr Jennings, the staff from school - especially Mrs Amos - and of course the children who performed superbly. As I am writing this, some of the Y5 cast are singing a few of the songs to our Reception children in the hall. It's a fine life!

In other school news, a team of Y6 children attended a basketball event at Benton Park on Tuesday and competed with and against children from other local primaries.

Next week is the last week of the Spring term and is also a 4-day week as Easter arrives. Between now and then, I hope you have a lovely weekend.

Next week the book fair will open Monday to Thursday after school from 15:20-16:00 in the hall. Some of our Y6 children are running the event and your support would be greatly appreciated. We look forward to seeing you there!

In assembly this week, Mrs Harris spoke to the children about how each one of us is a very special person. They talked about how we are all unique and the children shared qualities that make them special.

What travel and safety issues do you face in your local area? Now's your chance to have your say!

Leeds City Council want to hear from residents in Adel & Wharfedale, Guiseley & Rawdon, Horsforth, and Otley & Yeadon on any issues related to travel in your community. This could be about how you access public transport facilities, whether you feel unsafe walking, wheeling or cycling, the attractiveness of a street, or where traffic and speeding are causing issues.

The consultation is live until Sunday 7 April and it's easy to have your say - drop a pin on the maps where you're experiencing issues and fill in the survey. This will help prioritise improvements, when funding becomes available. To find out more and take part visit <https://bit.ly/3VdEGdw>

DATES FOR YOUR DIARY
