Headteacher's news:

It has been a quiet week compared to the previous two which has been welcomed. Do not get me wrong, I think the additional activities and events we take part in are a strength of the school and they certainly enhance the learning experiences for our children. However, I also acknowledge the importance of routine and delivering a curriculum which builds upon prior knowledge day in and day out and this is what this week has been all about.

We opened up the KS2 Trim Trail for the children to play on this week which was well received. I would like to thank the FORP who paid for the surfacing work as well as each and every one of you who has helped support the fundraising work of our PTA this year. Without parent engagement, we would not raise the amount of money we do to spend on projects like this.

This evening, over 50 pupils from Rufford Park will be taking part in a dance spectacular on the pitch at the AMT Headingley Rugby Stadium before the Leeds Rhinos v London Broncos game. If you are attending the event, we will see you there. If not, you might want to look out for us on TV as the game is being televised live on Sky Sports.

I hope you have a lovely longer weekend.

In the Newsletter for a second week: the school calendar - including teacher training days - for 2024-25 has been finalised. Click [here](#) (scroll down) if you would like to download one for your own records.

In assembly this week, Mrs Harris spoke to the children about inspirational people. They learned all about Ade Adepitan, a Paralympian athlete, who became a very successful wheelchair basketball player. They discussed who his inspiration was and why he is now an inspiration to others. The children then shared examples of people who inspire them.
